Terms of Reference

1. The empanelment has been made to execute the work up to estimated cost of ₹1Crore (excl. GST) by selecting the firm from empanelled list on respective categories.
2. Categorization of empanelment and value of work:

Category	Maximum value of order to be awarded (Excl. GST) (Software Application Development Component Only)
Tier-I	More than ₹70 Lakhs up to ₹1 Crore
Tier-II	More than ₹30 Lakhs up to ₹70 Lakh
Tier-III	Up to ₹30 Lakhs
Tier-IV	Up to ₹20 Lakhs

3. **Duration:**

Validity of empanelment would be initially for a period of 3 years from the date of notification. However, the Contract Period may be extended by an additional period of upto 2 years, if required. Addition/ deletion of the firms, if any, shall be made when required and to be notified.

4. **Broad scope of work:**

The empanelled agencies shall design, develop, customize, test, supply, manage and maintenance of the existing as well as new software/web based/mobile/web portals applications and related System Software, subsequent to system going "Live" undertaken by various departments. All the deliverables of the Project should be in IEEE Standards or other equivalent MeITY, Government of India Standards.

The empanelled agencies will deploy resources, on their roles, at various levels within the concerned departments. Such teams would handle the assigned project and work under the overall guidance of respective department nodal / project heads.

Broad scope of work of empanelled firm is as follows:

Sl.No.	Type of ICT Project/activities
1.	Software Development (website, applications etc.) and support
2.	GIS Application Development
3.	Mobile Application Development
4.	Business Intelligence, Data Warehouse and Data Mining/Analytics
5.	Operation and Maintenance support of already developed application

The Departments have to finalise the scope of work as well as deliverables.

For detailed Terms of Reference (ToR), websites of E&IT Department/OCAC may be referred.

5. **Project Implementation Modalities**

The concerned User Department or Organisation may assign software development and related services to any empanelled firm within the respective tier through a limited tender process among the empanelled firms of respective tier.

To ensure proper ownership, accountability, and effective implementation of the e-Governance project, the concerned User Department/Organization shall directly manage the project execution process, starting from issuance of the limited tender for selection of the suitable firm up to issuance of the Work Order.

Wherever required, the Department/User Organization may seek support from OCAC for bid process management, technical evaluation, project monitoring, or project supervision. In such cases, OCAC shall charge consultancy fees equivalent to 5% of the total project value.

However, in case of strategic projects, mission-critical initiatives, or projects involving interdepartmental implementation and coordination, the concerned Department/User Organization may assign the project to OCAC for turnkey implementation. In such cases, OCAC shall charge consultancy fees equivalent to 10% of the total project value.

6. The cost of the assignment/ project will be based on the effort estimation (in terms of man-months involved in various category of resources) required for the assignment/ project and it should be finalized through a Technical Committee constituted by the respective department/ organization involving members from OCAC/NIC.
7. User Department/ organizations may assign any of the empanelled firm among different Tiers for development of software application/ website and other related activities stated at Point No.4 depending on nature of work/ complexity involved/ and value of the work by observing the procedure for limited tender as mentioned below:

Step-I - Preparation of scope of work and estimate

Department/Organization shall prepare a requirement document (i.e. scope of work) and cost estimate on its own or by engaging consultants finalized through a Technical Committee.

Step - II - Floating of limited tender

A limited tender may be floated (by circulating the scope document) among the empanelled firms of respective Tiers by the user department/ organizations with Technical and/ or financial evaluation for finalization of firm depending upon the value of the project. No General bid evaluation is required. Technical evaluation may be made on case-to-case basis depending on complexity of the Projects.

Step - III - Submission of response by firms

The firms shall submit the price bid (in closed envelope) to the respective department/ organizations. The firm may submit the Technical Compliance response (in closed envelope) if asked for specifically.

Step-IV - Technical evaluation

The department/ organization may conduct technical evaluation of the proposal on the basis of presentation and/or documentation on approach, methodology, best practice followed in other states/ countries on the said requirement, timeline, past experience of agency etc. within a specified timeframe and shortlist the firms

Step- V - Financial Evaluation

The price bid envelope of the firms shall be opened by Evaluation Committee constituted by the department/ organization for finalization of cost and the firm. If Technical Compliance bid is asked for by the department/ organization then the financial bid shall be opened only after Technical response bid evaluation.

8. The User Department/Organization shall obtain a Performance Security in the form of a Performance Bank Guarantee (PBG) from the selected agency, which shall be released upon successful completion of the assigned work. The value of the PBG shall be determined in accordance with the provisions of the OGFR and guidelines issued by the Finance Department from time to time.
9. **Special Clauses:**
 - a. There is no restriction for any departments/ organizations to even go for open tender for any project value of even less than ₹1Crore (excl. GST) instead of executing through empanelled firms mode as stated above.

However, the projects costing more than ₹1Crore (excl. GST) shall be executed through open tender only.

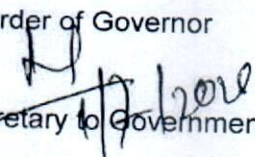

- b. No department/ organization should split the work to bring it below the ceiling price to execute the same through empanelled firms.
- c. Maximum value of order (Software Application Development Component Only) to be awarded to the firms in the respective tiers should not exceed the ceiling stated at point-2.
- d. Third party Tool/ License/ Security Audit/ SSL/ Hardware or Software Infrastructure cost should be excluded from the "maximum value of order" mentioned in point-2.
- e. OCAC shall also sign agreement with the empanelled firms on detail terms and conditions of empanelment.
- f. For any clarification/ doubts by any departments on detailed scope of work along with other terms and condition laid down above, OCAC may be consulted. Details of the Terms of Reference along with terms of engagement is available at E & IT Department website (www.it.odisha.gov.in) and OCAC website(www.ocac.in).
